

JW3 Kitchen

Fresh. Local. Flavorful.

At JW3 Kitchen we deliver delicious, reliable office catering. We are helping businesses across Atlanta eat well at work. We continue innovating with new, fresh recipes.

CORPORATE CATERING THAT WORKS FOR YOU.

Need to feed 10 or more people at a meeting or event? We'll take care of you. Our delicious menu is matched only by our exceptional service. We cater lunch and our service always includes delivery and setup. All catering packages include a fresh house salad and our famous Georgia peach bread puddings.

Meetings. Are a gathering of minds to communicate, consider ideas, discuss challenges, and plan new ways forward. It's a shared purpose that brings us together, but it's sharing a meal that bonds us.

'BREAKING BREAD'.

Eating together nurtures a deeper dialogue and warms the soul. Spirits are lifted over a meal. Breaking bread affirms trust, inspires confidence, and offers comfort.
